## REMEMBER WITH US

As I anticipate joining many of you at the Walk to End Alzheimer's, I remember my dad. His name was Ben Wiebe and he grew up on the plains of Saskatchewan, Canada. He only had an eighth grade education, but an incredibly creative engineering mind. He was the best and most frugal problem-solver I'll ever know. He worked farm jobs for most of his adult life and served as a missionary in Haiti in his 20's and then again, late in life. He was kind and humble and *oh so hardworking*.

He died in 2017 at 91 with dementia. I'll be walking for him. I hope you'll join me.

*Michelle Woolley*

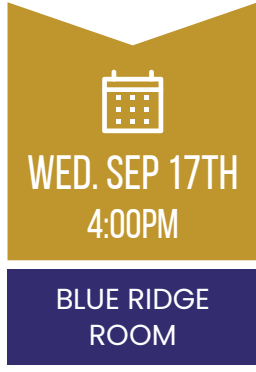

## WALK WITH US ANNUAL WALK TO END ALZHEIMER'S

**Saturday, September 27**  
**Bill Moore Community Park in Fletcher, NC**  
**Registration at 9am, Walk begins at 10am**

If you'd like to join us, email [foundation@deerfieldwnc.org](mailto:foundation@deerfieldwnc.org) or call 210-4506

## LEARN WITH US

### Charitable Giving: Now and Later

**Andy Strauss**, Partner, Board-Certified Specialist in Estate Planning & Probate Law, and **Lee Mulligan**, Partner, Attorney at Law.

Discover how incorporating charitable giving into your estate plan can create a lasting legacy while supporting the causes that matter most to you. They will also discuss the recently passed **"One Big Beautiful Bill"** and its tax implications for now and later.

## PARTNER WITH US WE'RE ALMOST THERE...

Labyrinth expert and installer, Chuck Hunner, recently made two trips to Deerfield, drawing different sized labyrinths in our HealthCare courtyard. This has been a fun opportunity for us to see and experiment with layout and orientation of our future permanent labyrinth.

Those who believe in the wellbeing benefits of walking a labyrinth have been incredibly supportive as we work to raise the necessary \$20,000.

**We are almost there with only \$3,300 to go!**

If you'd like to support this project you may give online [here](#) and click on "Special Project: Labyrinth" in the drop-down menu or make a check payable to Deerfield Charitable Foundation with "labyrinth" in the memo and leave it with the front desk.
